Reiki 1 Course "Shoden" .

Reiki 1 (Shoden) Japanese for "first teachings" 2 day course. No previous experience or courses necessary for this level. Reiki 1 is an enjoyable course that takes a practical approach to understanding the system of Reiki, its benefits for you and those around you. The focus is on personal development. It starts a journey that helps you to awaken an awareness of your inner self. After completing Shoden you have the tools to develop your own personal practice. This practice is the beginning of initiating positive changes and greater inner peace in your life.
